CONNECT Information Session

A note has been sent home next week regarding an Information Session for interested parents to come along and learn how to navigate the *CONNECT* network. This session will enable parents to get a better understanding of this communication system and answer any questions you may have about *CONNECT*. Please keep a look out for the information letter.

School Photos

Monday 21 May & Tuesday 22 May

Family photos forms are available from the office and will be taken before school on either Monday or Tuesday. Please refer to the previous *CONNECT* message to advise your child's class photo times.

Aussie of the Month

The value for April was: Helpfulness

Maya is a kind, helpful and very proactive student. She has been nominated for this award by several students in class. Each nominee has explained what a helpful person Maya is, how she cares for people who need help and her friendly way of making sure everyone is included.

Ali has been nominated for this award by a duty teacher. Ali helped a girl who had fallen over and hurt herself. He guided her to the duty teacher who could then get more help. Ali said 'it was the least I could do' for the student who was hurt. Ali is very selfless and often puts others before himself.

Excelsior has many students who demonstrate outstanding citizenship qualities in the school environment. Other nominations for this award were: Thomas (A3), Ashili (A5), Shaun (A1), Peyton (B6), Lucas (B4), Isaac (C4), Elara (C4) and Lianne (C3).
