## Chaplain News

The Chaplain/ P & C Mother's Day Morning Tea is being held on Wednesday 30 May and we would welcome you all to come. It is being held in the Staff Room from 9am and encourage you to join in to share some lovely treats, unwind and talk about different topics. We have a pamper session planned for you to enjoy.

The ever changing nature of the Internet can be quite challenging for many parents and as children have access to the Internet on phones, tablets and other electronic devices, it is important to be aware of what Apps your child may have access to. I have attached some information regarding this called "10 Apps Teens Are Using That Parents Need To Know" for parents with students from Years 3 to 6 to read.

## Kindergarten/Pre primary Enrolments 2019

Excelsior Primary School is now accepting applications for Kindy 2019. Should you have any queries please see the front office. Applications will close Friday 20 July 2018.

Children can start Kindergarten if your child's birthday falls between **July 1 2014 – June 30 2015**

Enrolments for students attending Pre primary in 2019 are now open. To ensure we have received your application for a place at Excelsior Primary School for Pre-primary, we kindly ask that you complete the Application Form that has been sent to all existing Kindergarten students this week. We also ask that if your child is not returning to Excelsior Primary for 2019, please notify the office as soon as possible. Now is the time to approach your local school for enrolment for 2019 should your address not fall within our catchment area.

## CONNECT Parent Information Session

An information session for interested parents to come along and learn how to navigate the *CONNECT* network will be held on Wednesday 30 May at 2:20pm—3:10pm in the library This session will enable parents to get a better understanding of this communication system and answer any questions you may have about *CONNECT*.

## P&C Loose Change Fundraiser

The Loose Change collection is here again as this terms fundraiser. We kindly ask that each class fill the bottle supplied with any loose change you may spare. So start saving your change ready for the collection that begins Monday 28 May.

*We can work together to achieve our goals and realise that SMALL CHANGE can fund BIG CHANGE for our School!*

## Workbooks Home

Student workbooks will be sent home this week for you to look at their standards of work and their level of competence with ordinary class work as well as with their selected assessment pieces. This is always a good opportunity to sit with your child and discuss the work they are producing on a daily basis and talk in depth about their approach to learning. A student's attitude, behaviour and effort has a huge influence on the standard and level of work produced. Workbooks are sent home again in week 8 this term, please make an appointment with your child's teacher if you have any questions or concerns about your child's progress.
