

# Excelsior Primary School

An Independent Public School

## KINDY OBSTACLE-A-THON

A sincere thank you to our wonderful Kindy families for supporting our Kindy Ninja Warrior Obstacle-a-thon at the end of Term 2! We greatly appreciate your efforts with fundraising, your help with setting up and packing away as well as your attendance to help cheer the children on. We hope you enjoyed the opportunity to enjoy a picnic in the sunshine with your children as well. Congratulations to Farrah for being the highest fundraiser from Green and Red Groups and Ayaan for being the highest fundraiser from Gold and Blue Groups! We are very proud of all the children for putting in a huge effort, they all had a fantastic time!

## EXCELSIOR P & C SECOND HAND UNIFORM SHOP

As online ordering has become more popular for purchasing uniforms, the Uniform Shop will now only open on the first Wednesday of each month for second hand sales and discontinued items. Please note the following dates when the Uniform Shop will be opened in Term 3:

**Wednesday 1 August      Wednesday 5 September**

You are welcome to place an order at the Office should it not be convenient on these days.

## PARKING– A MESSAGE FROM THE CITY OF GOSNELLS RANGER

The City of Gosnells Rangers continues to conduct parking patrols on a regular basis. Infringements may be issued to the drivers of vehicles found to be in breach of the City's Parking Local Laws. Such infringements may include parking against oncoming traffic, parking in a disabled bay and parking in no standing bays. Please view the following brochure from the City of Gosnells for further information.

## NATIONALLY CONSISTENT COLLECTION OF DATA OF SCHOOL STUDENTS WITH DISABILITY

The Australian Government wants to plan better for the needs of students with disability which include Medical, Social and Emotional and Physical conditions and/or learning difficulties across Australia. To do this the government needs to collect information about the number of children who have a disability, what programs are currently being provided for them and what this will mean for resourcing in the future.

The first step for Excelsior Primary School will be to provide information about the number of children in our school with learning needs and the programs and resources we use to support them. The information is confidential and no child's name will be provided to the Commonwealth.

We think that it is important for everyone to contribute to this project so it helps the government and the Department of Education to better provide for all students in Western Australia.

For further information about the collection, use or disclosure of information for the national data collection, please contact: [SWDPolicyTeam@education.gov.au](mailto:SWDPolicyTeam@education.gov.au).

We will include information about some children from EPS, in the project. If you do not want us to include information, please inform the front office by Friday 27 July. If you do not contact the school, you are authorising us to include your child/children's information in the data collection. Please be assured we will continue to support your child in our programs, even if we don't use their information in the project.

<b>IMPORTANT DATES</b>	
Friday 20 July	Pre Primary Obstacle-a-thon
Thursday 26 July	Cross Country
Friday 27 July	B6 Assembly
Mon 6-Wed 8 August	Book Fair
