

Excelsior Primary School

An Independent Public School

Organising Classes For 2019

Parent requests (confidential) for consideration of a 2019 placement for their child should have an educational basis and should be sent to Mr Liddelow, in writing or by email, Barry.Liddelow@education.wa.edu.au by Friday 30 November 2018. Every effort will be made to place your child according to your wishes although this is not always possible due to the many factors that must be considered for every child when organising class lists.

Once class lists have been established, it will not be possible to move students between classes in 2019.

If your family are not returning to Excelsior in 2019, we kindly ask that you contact the school office as soon as possible to let us know the school your children will be attending in the new year.

Numero Heat

This year we had 2 teams compete at the Numero competition at Carey Baptist College. Excelsior Numerators: Steffanie, Olivia, Adam and Samantha and Excelsior =Mc2: Ronan, Cassandra, Tanya and Alana. Both teams worked hard considering they had limited practise this year. The Excelsior Numerators placed 4th and Excelsior =Mc2 came in 8th. Both teams showed some real strength in their individual math calculations and we have learnt some new strategies to build on with future teams. Well done to all the students that participated.

Kalamunda History Excursion

On Wednesday B4, B5 and B6 students visited Kalamunda History Village. Students rotated through several activities, including olden day chores such as grinding wheat, stencilling, making toilet paper, washing dishes by hand, washing and ironing, olden day games, fruit grading, schooling and a stroll through a house and General Store. Students were all very well behaved and represented our school with pride. A fun day was had by all.

Thank you to our parent helpers – our day could not have run so smoothly without your help.

Spooktacular Disco

A huge thank you to the P&C Association for organising and coordinating the disco last night. The decorations and themed lollies were a hit with the students. There were many costumes and masks to be seen and the students enjoyed the music as they danced the night away.

2019 Personal Requirement Lists
