HARMONY DAY

Congratulations to everyone who made this special day so entertaining. Students dressed in national costumes or wore orange to symbolise harmony. The food was sensational yet again and everyone thoroughly enjoyed the day which celebrated our cultural diversity with more than 30 different cultures represented at our school.

ANZAC MEMORIAL SERVICE

Our ANZAC Service will take place in our undercover area on the last Friday of this term, April 12 commencing at 9:15am. The Year 1-6 students will attend this service along with a number of invited guests, parents and community members. Our service contains all the essential protocols that show respect and appreciation for all that our Diggers have done in all the conflicts across the world. Our service features a police pipe band piper, the Choir performing and the laying of the beautiful wreath. Everyone is welcome to attend.

KABOOM INCURSION

The Kaboom Percussion show was enjoyed by the students today. They were captivated by the amazing skill of the musicians who created various musical sounds with the simplest of instruments in a fun and exciting way. This interactive performance gave the children the opportunity to explore new possibilities with music.

P&C ANNUAL GENERAL MEETING

Your P&C committee held their AGM last Tuesday night to re-elect office bearers and begin planning events for the coming year. I am very happy to report that all positions were filled and everyone is focused on the upcoming fair and other exciting events for 2019. I would like to take this opportunity to thank the 2018 P&C committee for all of their hard work and dedication to Excelsior PS students. New members are always welcome.

FAIR DONATIONS

We would like to take the opportunity to thank those families that have already made generous donations towards our School Fair. We are still urgently in need of plants for our plant stall and we also kindly ask for donations of cartons of water to be sold on the day.
