Luke Walsh – Board Member

I have had over 20 years of Management and Leadership experience within the Retail, Telecommunications and now Banking and Finance sectors.

I came to WA in 2012, I was relocated from Sydney with Harvey Norman as a franchisee.

Both of my children were enrolled in Excelsior where they developed close relationships with not only friends but also the teachers. I had the opportunity to move back to Sydney in 2013, however it was these relationships, the professionalism and quality of the teachers that helped with the deciding factors of staying in WA.

With this choice I decided that I wanted to contribute more to the boy's lives and community, so I started helping out at the P&C, before taking on the role of WACSSO Rep and then further a position on the Board since 2017.

My contribution to the Board and the school, comes from the Leadership and Management of business productivity and fundamental's however behind all of that, I have a passion for helping people and the Board allows me to contribute to the success of our future generations.
