

Book Lists

A list of student personal requirements is compiled by the teachers each year and distributed during Term 4 in readiness for the next school year. These requirements may be purchased through the provider chosen by the school – Champion Education 25B Baile Road Canning Vale.

Children should bring all items to school on the first day of every new year. Please ensure all items are labelled, as per directions on the personal requirements list. Stationery items may need to be replenished throughout the year.
