

Parent queries

From time to time parents have a query or concern that needs addressing. Parents are urged to make prompt contact with the school to clarify issues as most can be quickly resolved to everyone's satisfaction. In the first instance parents are asked to make an appointment to speak to the staff member concerned. If the query is not clarified or the concern is not adequately addressed then parents are welcome to make an appointment to see a member of the Leadership Team.

Open communication channels and a partnership approach will ensure the best learning outcomes for your children.
